4 Steps to a Comfortable Space

- 1 Record your measurements here as they appear on the Laser Measure Tool.
- 2 When finished measuring, use the emailed link to access Measure by Indow® portal
 - Link emailed with subject line containing "MBI access"
 - Request link or support call: go.indowwindows.com/measure
- 3 Enter your recorded dimensions into the portal.
- 4 Keep this sheet until AFTER your inserts are installed & fit is tested.

A comfortable space is only 4 steps away. We're here to help at every step: **503.284.2260**. Get measuring!

Record values here as they appear on the Laser Measure Tool display. Retain this document for your records until you have installed your inserts and verify they fit properly.
